Semua Foto

VIP FLOOR

LUXURIOUS OFFICE SPACE

Every top floor unit is a VIP floor, on some units an expansive view to create an office expansion function with a great view.

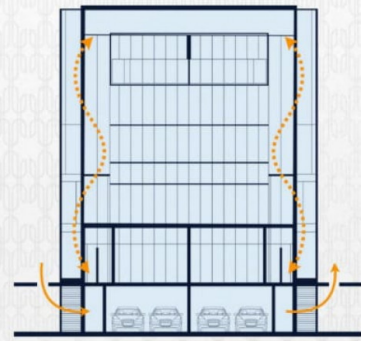

VIP FLOOR

Lokasi Hunian

EXCELLENT CROSS VENTILATION

There are a lot of openings at the building to create cross-ventilation. This enables good air flow in and out of the building to create a healthier working environment.

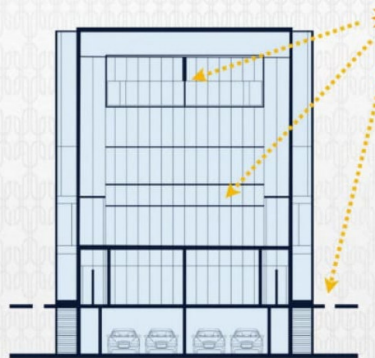

SPACE MANAGEMENT

Lokasi Hunian

ENERGY SAVING FACADE

The expansive glass facade is not only a powerful business showcase, but also enables the sunlight to enter the building to save energy usage as much as possible.

GREEN & SUSTAINABILITY

Lokasi Hunian

FACADE

A BEAUTIFUL MODERN FACADE

The contemporary facade of the building is designed to be a visually expansive show to make it a successful business showcase.

GREEN & SUSTAINABILITY

Lokasi Hunian

INDOOR GARDEN & FUNCTIONAL BACKYARD ON EVERY BUSINESS LOFT
